THANK YOU
- Many thanks to Ken and Wendy Knox for sharing with the students some very interesting rock samples recently. Thanks for thinking of us and sharing such interesting items.
- Small schools and communities go hand in hand and as always Boomi is very lucky to get such great support. We would like to thank the Oates families for sourcing a second hand fridge as well as picking up and delivering it for us. We would also like to thank the Adams family for restocking our wheat supply for the school chooks.

JEANS FOR GENES DAY
On Friday the 1st August students are invited to wear a pair of Jeans to school to help support Jeans for Genes Day. Students and the community are invited to give a donation on the day to help scientists at the Children’s Medical Research Institute unravel cures to a range of childhood medical conditions. Currently 1 in 20 children is born with a birth defect or genetic disease. That is over 12,000 Australian children a year. Find out more about CMRI online at cmri.org.au

LIBRARY
Mr Dewberry has taken over the duties of doing Library with the children. He is learning the Oasis borrowing system. To help could students with outstanding books please bring them back to school. It is not possible to loan new books to children when the old ones are outstanding. Please check for school library books at home. If they have been misplaced let the school know so we can take them off the system. The children have been informed if they have outstanding books.
