Thank you to Debbie for having everything ready and having the pool looking so good. Congratulations to the shop and helpers in the shop who fed the masses so effectively. Many thanks to the helpers who helped with stop watches, recording etc. Lastly thank you to many people who came and supported children on the day.

The champion house was ‘Cheerful’.

Some students will travel to Moree this Friday to participate in the Moree District swimming carnival. We wish the best of luck to Doyle, Emma, Jamie, Connor, Lewis, Nelson, Brendan and Lily who will be representing Boomi at the Moree carnival this Friday.

We received our Woolworths Earn and Learn musical instruments from our vouchers we collected last year. Thank you for your support and Woolworths.
We will be visiting Garah on Monday to attend a show – “From Federation and Beyond”. We will leave the school at 9:15am and return around 12:30pm. Students will need their recess packed separately for the trip.

Each week a student will be awarded a canteen voucher for an ice-block the following week. The award is for using manners at the canteen.

🌟Caroline was awarded Good Manners Award from the canteen this week.🌟

Please don't hesitate to contact the school if you have any concerns.

What's Happening in Infants

This week in the infants classroom we have been busy brainstorming and writing about what they would see in the ‘jungle’. Capital letters, full stops and nouns have been our main priority this week in writing. The Kindergarten children have been singing songs, using actions, writing and reading to have a greater understanding of the letters s,a,t,i.

During Maths we have been busy with lots of hands on activities covering the topics addition, patterns, length and data. The kindergarten children have learnt to read write and recognise the numbers 0,1,2,3.

Year 1 and 2 have been practising trading using multi-links blocks and tens.

Hello, my name is Gemma Campbell (nee) Adams.
I am participating in ‘Shave for a Cure’ this year and I would really appreciate your support.

Just before my 3rd birthday I was diagnosed with Acute Lymphatic Leukaemia, or (ALL).

My parents were told that without treatment I would survive maybe 6-8 weeks and with treatment I was given a 50% chance of surviving maybe 5yrs. I am now 45yrs old which means it was almost 43 yrs ago that I beat the disease.

I have been blessed with a wonderful husband and 2 beautiful daughters. I don’t believe I am being over dramatic when I say, ‘I survived against the odds, and that our daughters are 2 miracles beyond our understanding.

In the past I have taken part in Camp Quality, hoping that my story may inspire hope in others. I have to say if you ever want to find inspirational kids do Camp Quality.

In Nov 2014 I lost a wonderful friend to cancer, then in the 6mths to follow I knew 9 others that lost the battle. This is one of the reasons why I have decided to take part in ‘Shave for a Cure’.

I also hope that my story may give hope to others suffering from any form of cancer but also that the money raised will help to create a cancer free future.

Thankyou, 
Gemma
