Principal’s Message

Clean up Australia day is this weekend. The school will be participating tomorrow at school. The infants will be focussing on the school playground and the primary students will walk around the pool and main street. If you would like to join us you are more than welcome to. We are starting at 10am and finishing around 11am.

We wish Doyle and Lewis all the best when they go to Armidale on Monday to represent the Moree region in the swimming carnival.

Thank you to the parents who have already paid their school contributions. This helps the school purchase resources for your children at school.

Today we were fortunate to have a melonipist visit our school (a stingless bee keeper). The children really enjoyed listening to all the factual information and storytelling in which included a didgeridoo. Honey tasting was a highlight and the school was fortunate to be left a beehive in which we hope to be producing honey in 2 years. For more information visit their website: www.beezotted.com.au

Please don’t hesitate to contact the school if you have any concerns.

BOOK CONTRIBUTION
The school supplies the majority of books, stationery etc. This is covered through the school book fee of $50 per child or $90 Family. It would be appreciated if this fee could be paid before the end of the term please.

CHILDRENS CORNER

What’s Happening in Infants

In reading this week the infants children have participated in some exciting activities on Reading Eggs. Reading Eggs explores a variety of sounds, letters, words and helps develop reading with expression and fluency.

Kindergarten also completed a sequencing activity using the poem ‘5 little Monkeys’.

Each week all the students complete activity sheets that are linked with each individual child’s reader.

Year 1 and 2 have completed their ‘My Pet’ story. The students published and illustrated their story.

Infants have five new little puppies (toys) in the classroom. While the children are sitting on the floor, the puppies sit on a student’s lap which helps them to sit still, listen and concentrate. This idea has really helped some of the students to sit without fidgeting.
