Principal’s Message

The Premier’s Reading Challenge begins this week and the students have already recorded some of their books they have read this week.

This week was our last school swimming lesson for this term. We will have dance for sport on Fridays for the remainder of term.

Congratulations to Doyle and Lewis for their spectacular swimming at Armidale on Monday.

The school proudly participated in Clean Up Australia Day for schools. The infants cleaned the school playground and Primary cleaned the main street, the hall, the park and around the pool and tennis courts. The students did a fantastic job.

On Thursday 24th March the school will hold an Easter Hat Parade for the students. We look forward to seeing some interesting hats!

Please don’t hesitate to contact the school if you have any concerns.

CHILDREN'S CORNER

What’s Happening in Infants

The children participated enthusiastically in ‘Clean up Australia Day’ they did a fantastic job in cleaning up the school.

This term in science the children have been focussing on the unit ‘Living Things’ where they have been investigating different conditions in growing broad bean seeds. As part of the experiment some of the broad beans grew extremely well whilst others failed to thrive, this created much scientific discussion.

Kindergarten have continued to learning new sounds and sight words including c, k, e, and she, like, we whilst Year 1 and 2 have been writing a factual report on Bush Bees.

START THE DAY RIGHT WITH BREAKFAST

We’ve all heard that breakfast is the most important meal of the day and it’s true! Research has shown that children who eat breakfast before school have higher levels of concentration and are less likely to feel lethargic.

Below are some ideas for a nutritious breakfast:

- Wholegrain cereals such as Weetbix, Cheerios and Sultana Bran
- Untoasted muesli topped with low fat yoghurt
- Wholegrain toast topped with avocado, tomato or low fat cheese
- Raisin toast
- Fruit & vegetable smoothies

If you’re short on time, some quick ideas to send to school with your child includes: a tub of low fat yoghurt, cereal to munch such as fruity bites, breakfast drinks such as Up & Go or some fruit.
